ONA T. WANG, United States Magistrate Judge:

The Centers for Disease Control (“CDC”) and the World Health Organization have advised people to take precautions regarding the Covid-19 pandemic, and the Chief Judge of this Court has entered standing orders regarding the same. *See, e.g.*, 20-mc-155; CDC, *About Variants of the Virus that Causes COVID-19*, <https://www.cdc.gov/coronavirus/2019-ncov/variants/variant.html> (July 29, 2021) (identifying Delta as a variant that “spread[s] more easily and quickly than other variants”); CDC, *SARS-CoV-2 Variant Classifications and Definitions*, <https://www.cdc.gov/coronavirus/2019-ncov/variants/variant-info.html> (Aug. 3, 2021) (identifying the Delta variant as one of “concern” that is circulating in the United States).

In light of the rising number of Delta variant COVID-19 cases and Mr. Iddrisu’s advanced age (and therefore, increased risk of severe illness from COVID-19), this Court adjourns Mr. Iddrisu’s in-person sentencing proceeding on August 24, 2021 at 11:00 a.m. *See* CDC, *COVID-19 Vaccine Breakthrough Case Investigation and Reporting*, <https://www.cdc.gov/vaccines/covid-19/health-departments/breakthrough-cases.html> (last visited Aug. 3, 2021) (showing that people aged 65 and older account for 74% of hospitalized or

fatal vaccine breakthrough cases). The August 24, 2021 sentencing proceeding shall be converted to a telephonic status conference. The dial in information is (866) 390-1828, access code 158-2687.

SO ORDERED.
